Deanery can get on track starting at 5:30, and practices can begin Mar 25. (Please let the parishes and coaches know that we will be practicing until then and to stay off the track and infield.)

We have four home meets on Tuesdays, 4/2, 4/9, 4/23, and 5/7. There are no practices on those dates.

We will have multiple baseball practices and games that will overlap these practices. (Please let the parishes and coaches know about this. Foul balls are likely during those times).

We will have some track surface work done this spring, dates TBD, which would close the track for 48-72 hours.

Please tell the parishes and coaches that NO PARKING around the baseball field for foul ball purposes. We have signs up, but last year, we still had broken windshield instances. That can be avoided.
